

# TIRE REPAIR LIQUIDS & MOUNTING COMPOUNDS

## CEMENTS AND CLEANERS

Part #	Description
TC 22162	Multi/Radial Plast Bonding Compound - Lubricates the path of the needle and helps Multi/Radial Plast fit the injury - 8 oz. can
TC 22041	Buffing Solution - Removes dirt, oil, and talcum that collects on tires and tubes - Quart can
TC 22188	Universal Cement - Fast drying cement for all Bowes patches. Dries in approximately 50% less time than conventional cements - Quart can
TC 22187	Universal Cement - 8 oz. can
TC 22158	B133 Vulcanizing Cement - Chemically cures a patch without heat and vulcanizes the patch to the tire or tube - 8 oz. can

## CEMENTS AND CLEANERS

Part #	Description
TC 37505	Leak Finder Bottle - empty
TC 22192	Bead and Rim Sealer - Stops hard to seal leaks around the bead and rim of a tire. Remains flexible to keep sealing and to make it easy to break the bead from the rim for future repairs - Quart can
TC 37504	Leak Finder - Best leak detection liquid in the industry. Makes finding pin holes and leaks easy - 8 oz. can

## MOUNTING LUBRICANTS

Part #	Description
TC 37532E	Tire Mounting Compound - 8 lbs.
TC 37525E	Tire Mounting Compound - 25 lbs.
TC 77921	Tire Mounting Lube - Premixed - 1 Gal.
TC 77922	Tire Mounting Lube - Premixed - 5 Gal.
TC 22159	Rubber Lube - Concentrated formula when diluted with water; takes the work out of tire mounting by cleaning and lubricating rubber surfaces - 12 oz.

## MOUNTING COMPOUND

Part #	Description
TC 37532	Murphy's Soap - 8 lbs.
TC 37533	Murphy's Soap - 25 lbs.

## APPLICATORS

Part #	Description
(A) TC 37378	11" Cotton Tire Swab
(B) TC 37378L	15" Cotton Tire Swab
(C) TC 37381	Aluminum Cement Can w/Brush
(D) TC 37381B	Replacement Brush Lid
(E) TC 37311	Euro-Paste Application Brush
(F) TC 37747	FreyLube Applicator

# POWER STEERING & BRAKE FLUID PRODUCTS

POWER STEERING & BRAKE FLUID

### POWER STEERING FLUID

Bowes' Power Steering Fluid protects all seals and hoses, it also guards against wearing, foaming, oxidation, corrosion, and slippage. It eliminates power steering squeaks and provides smoother performance. It works in all power steering units and mixes with all power steering fluids.

Part #	Description
PS 22169	Power Steering Fluid - 12 oz.
PS 22175	Power Steering Fluid - 1 gal.

### POWER STEERING FLUID DISPENSERS

Also available is a Power Steering Fluid Dispenser for the one gallon round plastic jug. This dispenser automatically dispenses 2 oz. of Power Steering Fluid with each stroke of the pump.

Part #	Description
BF 37446	Power Steering Fluid Dispenser
BF 37443	Dispenser Valve
BF 37443	Dispenser Valve & Hose Assembly

### DOT 4 BRAKE FLUID

Bowes' High Performance DOT 4 Motor Vehicle Brake Fluid far exceeds the minimum Federal Motor Vehicle Safety Standard requirements for a DOT 4 motor vehicle fluid. It contains a special water scavenger which chemically captures moisture, helping ensure a high wet and dry boiling point to minimize vapor lock.

Part #	Description
BF 22193	DOT 4 Motor Vehicle Brake Fluid - 12 oz.

### DISC & DRUM BRAKE FLUID

Bowes' Disc & Drum Brake Fluid is a high quality fluid that meets all car manufacturer disc brake fluid requirements. This fluid also meets all drum brake requirements and conforms to Federal Motor Vehicle Safety Standard requirements for a DOT 3 motor vehicle fluid.

Part #	Description
BF 22178	DOT 3 Brake Fluid - 12 oz.
BF 22179	DOT 3 Brake Fluid - 1 gal.
BF 22180	DOT 3 Brake Fluid - 5 gal.
BF 22181	DOT 3 Brake Fluid - 54 gal.

### BRAKE FLUID DISPENSERS

Bowes' Brake Fluid Dispensers measure 2 oz. of fluid per pump and allow fluid to be dispensed into the master cylinder without spilling.

Part #	Description
BF 37452	Dispenser - fits one gal. plastic jug
BF 37447	Dispenser - fits one gal. standard can
BF 37450	Dispenser Valve
BF 37451	Dispenser Valve & Hose Assembly

# AEROSOL CHEMICALS

**AEROSOL CHEMICALS**

## CHEMICAL AEROSOLS

Bowes' has a wide coverage of products in its Aerosol Chemical Line. There are several different categories of chemicals, each category is grouped and color coded to make it easy for the user to identify. Provides coverage for a wide range of today's automotive applications.

### ENGINE CARE

Part #	Description
AC 37483	Engine Degreaser - 16 oz.

### WINDOW CARE

Part #	Description
AC 37484	Glass Cleaner - 16 oz.

### FUEL SYSTEM CARE

Part #	Description
AC 37592	Carb & Choke Cleaner - 16 oz.

### BATTERY CARE

Part #	Description
AC 37482	Battery Protector - 12 3/4 oz.
AC 37580	Battery Protector w/Indicator - 15 oz.

### LUBRICATING CARE

Part #	Description
AC 37485	Lithium Grease - 12 3/4 oz.
AC 37486	Silicone Lube - 10 3/4 oz.
AC 37591	Spray Lube 500 - 16 oz.

### TIRE CHEMICAL CARE

Part #	Description
AC 37487	Tire Inflator - 12 oz.

### BRAKE CARE

Part #	Description
AC 37479	Brake Cleaner - 15 oz.
AC 37478	Non-Chlorinated Brake Cleaner - 16 oz.

# BOTTLED CHEMICALS

## BOTTLED CHEMICALS

Bowes' has a wide coverage of products in its Bottled Chemical Line. There are several different categories of chemicals, each category is grouped and color coded to make it easy for the user to identify.

### RADIATOR CARE

Part #	Description
BC 22012	Radiator Stop Leak - 12 oz.
BC 22016	Radiator Flush - 12 oz.
BC 22012	Radiator Rust Rooter & Water Pump Lube - 12 oz.

### TRANSMISSION CARE

Part #	Description
BC 22164	Transmission Sealer & Conditioner - 8 oz.

### POWER STEERING CARE

Part #	Description
PS 22169	Power Steering Fluid - 12 oz.
PS 22175	Power Steering Fluid - 1 gal.

### WINDOW CARE

Part #	Description
BC 22182	Windshield Washer Solvent - 12 oz.
BC 22177	Windshield Washer Anti-Freeze - 12 oz.

### CONCRETE CARE

Part #	Description
CC 77916	50# Concrete Cleaner

### OIL CARE

Part #	Description
BC 22194	Oil Treatment - 12 oz.

### FUEL SYSTEM CARE

Part #	Description
BC 37485	Gas Treatment - 12 oz.
BC 37486	Lead Substitute w/Powershield - 12 oz.
BC 37591	Power Aid / Fuel Line De-Icer - 12 oz.
BC 37485	Isopropyl Fuel Antifreeze - 12 oz.
BC 37486	Energy Plus / Octane Booster - 12 oz.
BC 37591	Fuel Injector Cleaner - 12 oz.

### CAR CARE

Part #	Description	Qty.
CW 22070	Car Wash	4/cs
CW 22067	Whitewall Wash	4/cs
WC 22160	Super Glass Wash	4/cs
WC 22182	Windshield Solvent	4/cs
WC 37439	Winter Service Fluid	4/cs
WC 37440	Summer Service Fluid	4/cs
WC 22168	Kler View Tablets	200/btl

# HAND CLEANERS

### SUPER SCRUBBER HAND CLEANER

Super Scrubber Hand Cleaner does the cleaning job on extra grimy hands with improved grit. The lanolin and glycerin formula conditions the most abused hands; contains high concentrations of active cleaning agents at a Ph that is kind to the skin and is medicated. It's biodegradable, loaded with lather and pleasantly scented.

Part #	Description
HC 77920	Super Scrubber - 1 Gal.
HC 77917	Grime Fighter - 1 Gal.

### LOTION HAND CLEANER

Bowes' Lotion Hand Cleaner is a liquid hand cleaning product that can be used before the job for protection or after the job for clean-up. Bowes' Lotion Hand Cleaner used before you work will build a protective film that shields from oil, grease and damaging solvents. This product contain no solvents, is biodegradable and completely soluble with water. Your hands will clean up after the dirtiest jobs and regular use of Bowes' Lotion Hand Cleaner will leave hands well conditioned and softened. Use Bowes' Hand Cleaner with or without water to assure that hands will stay clean, soft and conditioned.

Part #	Description
HC 77919	Pink Lotion - 1 Gal.
HC 77918	Knock Out - 1 Gal.
